La Secchia Rapita Alessandro Tassoni 1827

The Demes of Attica, 508/7 -ca. 250 B.C. David Whitehead 2014-07-14 This work is a richly detailed study of the nature and development of the 139 Attic demes, the local units that made up the city-state of Athens during the classical and early Hellenistic periods. Originally published in 1986. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Medieval Prostitution Jacques Rossiaud 1995-12-11 In fifteenth-century France, public prostitution was condoned by all sectors of society. Clerics and municipal officials not only tolerated prostitution, but were often its principal beneficiaries, owning and frequenting brothels quite openly. The explanation of this remarkable state of affairs is just one aspect of Jacques Rossiaud's vivid reconstruction of a part of medieval society that has previously received little attention. Drawing upon extensive research in medieval archives, the author shows that most fifteenth-century Frenchwomen could expect a life of constant subjugation to male desire. Rape, for instance, was common and considered only a minor crime. He then considers whether public prostitution might paradoxically have been seen by the secular and religious authorities as a means of social control, and of preserving marital stability: the virtue of wives and daughters was best protected by the existence of public brothels, where sexual urges could be satisfied without adultery or rape. Jacques Rossiaud also describes the social background of the prostitutes, brothel-keepers, pimps, and their clientele, providing a vivid overview of the context in which medieval prostitution existed. *Medieval Prostitution* will be of interest to medieval historians, as well as to students of the history of the

family and sexuality.

The Saga of the People of Laxardal and Bolli Bollason's Tale Leifur Eiricksson 2008-04-24 The action of the saga takes place at the end of the tenth century, at about the time Scandinavia was converting from worship of Norse gods to Christianity. A masterpiece of medieval literature, the story focuses on two families — that of Hoskuld, a prominent farmer with several sons, and that of Gudrun, the most beautiful woman ever born in Iceland.

Man and His Migrations Robert Gordon Latham 1851

A manual of book-keeping for public institutions James William Palmer 1878
Historical Atlas of Medieval Music Vera Minazzi 2019-08-31 Music is rooted in the heart of Western culture. The absence of music from the usual publications of medieval history and history of art of the Middle Ages is understandable, considering the rarity of sources. And yet, throughout the last decades, an intense activity of historico-musicological research has been carried out internationally by a select group of specialized scholars. The ambitious goal of this work is to set medieval music within its historical and cultural context and to provide readers interested in different disciplines with an overall picture of music in the Middle Ages; multi-faceted, enjoyable, yet scientifically rigorous. To achieve this goal, the most prominent scholars of medieval musicology were invited to participate, along with archaeologists, experts of acoustics and architecture, historians and philosophers of medieval thought. The volume offers exceptional iconography and several maps, to accompany the reader in a fascinating journey through a network of places, cultural influences, rituals and themes.

Language and Social Context Pier Paolo Giglioli 1990 Even the simplest of spoken statements may provide far more information about the speaker - his social standing, his immediate situation, his relationship with his audience - than he might ever suspect. sociolinguistics focuses on all the varied aspects of the social organization of speech. We share a linguistic repertoire with members of our social networks (and failure to "fit in" linguistically may have far-reaching consequences); we also alter our speech patterns according to the specific social situation.

Free Jazz/Black Power Philippe Carles 2015-01-01 In 1971, French jazz critics Philippe Carles and Jean-Louis Comolli co-wrote *Free Jazz/Black Power*, a treatise on the racial and political implications of jazz and jazz criticism. It remains a testimony to the long ignored encounter of radical African American music and French left-wing criticism. Carles and Comolli set out to defend a genre vilified by jazz critics on both sides of the Atlantic by exposing

the new sound's ties to African American culture, history, and the political struggle that was raging in the early 1970s. The two offered a political and cultural history of black presence in the United States to shed more light on the dubious role played by jazz criticism in racial oppression. This analysis of jazz criticism and its production is astutely self-aware. It critiques the critics, building a work of cultural studies in a time and place where the practice was virtually unknown. The authors reached radical conclusions—free jazz was a revolutionary reaction against white domination, was the musical counterpart to the Black Power movement, and was a music that demanded a similar political commitment. The impact of this book is difficult to overstate, as it made readers reconsider their response to African American music. In some cases it changed the way musicians thought about and played jazz. Free Jazz / Black Power remains indispensable to the study of the relation of American free jazz to European audiences, critics, and artists. This monumental critique caught the spirit of its time and also realigned that zeitgeist.

Italian Grammar Drills Paola Nanni-Tate 2012-08-10 Sharpen your ITALIAN grammar with skill-building exercises If you want to be proficient in Italian, you have to master its grammar. Looptail Bruce Poon Tip 2013-09-17 Much in the same vein as DELIVERING HAPPINESS, LOOPTAIL combines both Bruce Poon Tip's extraordinary first-person account of his entrepreneurial instincts to start and develop G Adventures, a highly-successful international travel adventure company, and along the way, he reveals his unusual management secrets that not only keep his employees fully engaged but also keep his customers extremely happy.

The Good Wife's Guide (Le Ménagier de Paris) 2012-08-22 In the closing years of the fourteenth century, an anonymous French writer compiled a book addressed to a fifteen-year-old bride, narrated in the voice of her husband, a wealthy, aging Parisian. The book was designed to teach this young wife the moral attributes, duties, and conduct befitting a woman of her station in society, in the almost certain event of her widowhood and subsequent remarriage. The work also provides a rich assembly of practical materials for the wife's use and for her household, including treatises on gardening and shopping, tips on choosing servants, directions on the medical care of horses and the training of hawks, plus menus for elaborate feasts, and more than 380 recipes. The Good Wife's Guide is the first complete modern English translation of this important medieval text also known as Le Ménagier de Paris (the Parisian household book), a work long recognized for its unique insights into the domestic life of the bourgeoisie during the later Middle Ages. The Good Wife's Guide, expertly rendered into modern English by Gina L. Greco and Christine M. Rose, is accompanied by an informative critical introduction setting the work in its proper medieval context as a conduct manual. This edition presents the book in its entirety, as it must have existed for its earliest readers. The Guide is now a treasure for the classroom, appealing to anyone studying medieval literature or history or considering the complex lives of medieval women. It illuminates the milieu and composition process of medieval authors and will in turn fascinate cooking or horticulture enthusiasts. The work illustrates how a (perhaps fictional) Parisian householder of the late fourteenth century might well have trained his wife so that her behavior could reflect honorably on him and enhance his reputation.

1001 vini da bere almeno una volta nella vita Francesca Negri 2015

Medieval Arab Cookery Arthur John Arberry 2001 "The French scholar, Maxime Rodinson's contributions are legendary, yet have only been seen in translation in *Petits Propos Culinaires*. We include those already published

there, together with the text of his longest paper, 'Recherches sur les documents Arabes relatifs a la cuisine', translated by Barbara Yeomans. The American scholar Charles Perry has been entertaining participants at the Oxford Symposium with regular gleanings from his researches into medieval Arab cookery, and several of his papers are gathered here, together with a new study of fish recipes, and other items previously published in PPC. Subjects include grain foods of the early Turks, rotted condiments, cooking pots, and *Kitab al-Tibakhah*, a 15th-century cookery book. English study of the subject was first encouraged by Professor Arberry's translation of the 13th-century cookery book *Kitab al-Tabikh*, published in 1939 in the periodical *Islamic Culture*."

De Lapidibus Theophrastus 1965

De Rerum Natura Liber Tertius Titus Lucretius Carus 2012-01 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

When Jesus Was Born Maryann J. Dotts 1996-12 When Jesus Was Born is the story of that night and the birth of Jesus. A talk-together book, it is written so that parents may read it to their very young children, adding details of the Savior's birth. The wonder of that marvelous, mysterious night comes alive with every reading.

Foundations of the Conciliar Theory Brian Tierney 1998 This book is an account of those canonistic theories of Church government which contributed to the growth of the conciliar theory, and which were formulated between Gratian's "Decretum" (c. 1140) and the Great Schism (1378). "Foundations of the Conciliar Theory" is considered by many to be one of those rare books that significantly influenced twentieth century medieval historical studies. Now again available in a new enlarged edition, it will continue to be an indispensable work for all those interested in Church history and the Middle Ages.

Notes Without a Text and Other Writings Roberto Bazlen 2019-05 An advisor to Italian publishing houses, a translator of Freud and Jung, a friend of Montale and Calvino, Roberto Bazlen was nothing if not a literary man, but kept his writings to himself. Here, translated into English for the first time, the reader will discover Bazlen's private oeuvre: an unfinished novel, The Sea Captain, which bears comparison with the fiction of Kafka and Beckett; a selection of entries from his notebooks dealing with topics as various as whether or not there is an "animal Jahweh" and the aesthetic limitations of

the cinema; a trio of essays on his native city of Trieste; and a sampling of his editorial letters. Notes Without a Text is an introduction to the work of one of the unknown masters of twentieth-century European literature.

Chagatay Manual Janos Eckmann 2017-07-28 First published in 1997.

Routledge is an imprint of Taylor & Francis, an informa company.

Negroni Cocktail. An Italian Legend Luca Picchi 2015-09-23 The history, the techniques, the ingredients, the classical mixes, the original twists of the most famous bartenders: all the secrets of a cocktail that has become a legend.

The History of the Western Empire Sir Robert Buckley Comyn 1851

Amnesty International Report 2008 Amnesty International 2008 This annual report documents human rights abuses by governments and armed opposition groups in 150 countries across the world. It provides an invaluable reference guide to international human rights developments.

Cheese Manufacturing in the Twentieth Century Rita Maria Michela d'Errico 2017 Since the end of the XIXth century the dairy sectors of some industrialised European and American countries have experienced a phase of growth that took place at a different rate and in a different manner in each country. This book studies the factors behind this achievement and the strengths and weaknesses of the sector during the XXth century.

Slow Wine Guide USA 2021 Deborah Parker Wong 2021-04-16 With a total of 285 wineries reviewed from California, Oregon and now from New York and Washington states, the 2021 edition of the Slow Wine guide USA covers more ground than ever before. For the first time, the 2021 edition stands as an individual publication devoted to US producers. The idea behind Slow Wine is straightforward: it acknowledges the unique stories of people and vineyards, of grape varieties and landscapes, and of their wines. The knowledge that wine is more than just liquid in a glass helps wine lovers make better, more conscious choices and enhances the very enjoyment of these products. Since its beginnings in Italy eleven years ago, Slow Wine has combined its tasting sessions with equally important moments of exchange and debate with producers. In doing so, we're bringing you the most up-to-date information about what's happening at the wineries within our pages. We're thrilled to see the guide finding fertile ground in the USA. Our incredible team of wine experts has once again teamed up to bring you our fourth edition, Slow Wine 2021 - a year in the life of the vineyards and wines of the USA.
