Man Buns S.J. Ryan "Laugh out loud romance!" I got out of the Marine Corps to give my daughter a better life. I'm a strong and capable single dad. I got this, right? Not so much. The one thing my daughter wants is the hardest to find—a mom. It's not like they're selling hot intelligent women at Walmart these days, and with the amount of baggage I'm carrying around, I might be out of luck. Yeah, so. We moved from Oahu to Maui. I needed a job, a place to live, and to get us settled. I thought it would be simple, but let's just say . . . mistakes have been made. Mistake #1: I took the first job I was offered. (Should've probably asked a couple more questions about the required uniform.) Mistake #2: I flirted with Kai, the first attractive woman who crossed my path. (So far out of my league she might as well be a Hawaiian princess.) Mistake #3: I fell head over heels for that woman. (See Mistake #2.) Now I'm standing here showing my butt—no, literally. It's the required uniform at Man Buns, the restaurant I'm working at.

(See Mistake #1). In any case, I can tell you one thing—it's damn near impossible to convince the woman I can't live without to take me seriously when I'm serving up burgers, half-naked, and women are constantly ogling my assets. I've gotta try, though. Because Kai is the woman for me, and she's perfect with Aya. I've just gotta get these man buns in gear and figure out how to win her over.

State of the Union Douglas Kennedy

2010-06-15 From the New York Times bestselling author of Leaving the World comes the compelling story of a woman whose one choice, made decades ago, comes back to haunt her. America in the 1960s was an era of radical upheaval--of civil rights protests and anti-war marches; of sexual liberation and hallucinogenic drugs. More tellingly, it was a time when you weren't supposed to trust anyone over the age of thirty; when, if you were young, you rebelled against your

parents and their conservative values. But not Hannah Buchan. Hannah is a great disappointment to her famous radical father and painter mother. Instead of mounting the barricades and embracing this age of profound social change, she wants nothing more than to marry her doctor boyfriend and raise a family in a small town. Hannah gets her wish. But once installed as the doctor's wife in a nowhere corner of Maine, boredom sets in... until an unforeseen moment of personal rebellion changes everything. Especially as Hannah is forced into breaking the law. For decades, this one transgression in an otherwise faultless life remains buried. But then, in the charged atmosphere of America after 9/11, her secret comes out and her life goes into freefall.

Echoes in the Walls Katrina Morgan 2011-01-20 An old house awakens long-forgotten dreams and the wheels of change are set in motion. Can a modern family truly walk away from their materialist selves? Can a

nearly condemned, pre-Civil War farmhouse be turned into a source of pride? No one else could see their dream. Friends and family saw only their imminent demise. Raccoons in a bedroom, bats in the attic, bones in the basement, a horrific ninety-day time frame. None of these were part of the plan. It turns into a harrowing, hilarious roller coaster of a ride. As the house endures monumental changes, the family must evolve as well. In slowing down, and appreciating their surroundings, they learn to wear life's bruises proudly. Can a person still curl up with a book and make the world go away? Can readers laugh at someone else's failings, and determine that perhaps they can take a chance on change? *Echoes in the Walls* dares readers to do just that.

Soviet Films of the 1970s and Early 1980s Marina Rojavin 2021-04-30 This book explores a new character archetype that permeated Soviet film during what became known as the era of Stagnation, a stark period of loneliness, disappointment, and individual despair. This new type of character was neither negative nor positive, but nevertheless systematically undermined Soviet norms of behaviour, hairstyle, dress, lifestyle, and perspective, in stark contrast to Socialist Realism's traditional, positive hero who fought for Soviet values and who vanquished the enemies of socialism. The book discusses a wide range of films from the period, showing how the new antiheroic archetype of Stagnation resonated through a multitude of characters, mostly male, and vividly reflected the realities of Soviet life. The book thereby provides great insight into the lives, outlook, and psychology of citizens in the late Soviet period.

Founder of Baraboo Tours Shelley Mordini and tour guide Gwen Herrewig share tales of Baraboo's more mysterious side.

Belonging Nora Krug 2018-10-02 * Winner of the National Book Critics Circle Award * Silver Medal Society of Illustrators * * Named a Best Book of the Year by The New York Times, The Boston Globe, San Francisco Chronicle, NPR, Comics Beat, The Milwaukee Journal-Sentinel, Kirkus Reviews, and Library Journal This "ingenious reckoning with the past" (The New York Times), by award-winning artist Nora Krug investigates the hidden truths of her family's wartime history in Nazi Germany. Nora

Krug was born decades after the fall of the Nazi regime, but the Second World War cast a long shadow over her childhood and youth in the city of Karlsruhe, Germany. Yet she knew little about her own family's involvement; though all four grandparents lived through the war, they never spoke of it. After twelve years in the US, Krug realizes that living abroad has only intensified her need to ask the questions she didn't dare to as a child. Returning to Germany, she visits archives, conducts research, and interviews family members, uncovering in the process the stories of her maternal grandfather, a driving teacher in Karlsruhe during the war, and her father's brother Franz-Karl, who died as a teenage SS soldier. In this extraordinary quest, "Krug erases the boundaries between comics, scrapbooking, and collage as she endeavors to make sense of 20th-century history, the Holocaust, her German heritage, and her family's place in it all" (The Boston Globe). A highly inventive, "thoughtful, engrossing" (Minneapolis Star-Tribune) graphic memoir, *Belonging* "packs the power of Alison Bechdel's *Fun Home* and David Small's *Stitches*" (NPR.org).
